Amendment

Re: Docket No. 02-33
Notice of Detariffing of Common Carrier Broadband Internet Access Transmission Service

This is an amendment to the letter electronically filed with the Federal Communications Commission ("FCC") dated May 18, 2007 from SRT Communications, Inc.'s ("SRT") notifying the FCC of SRT's decision to exit the National Exchange Carrier Association's ("NECA") Digital Subscriber Line ("DSL") Tariff.

The May 18, 2007, letter indicated that SRT will exit the NECA DSL Tariff effective July 1, 2007. The effective date should read June 30, 2007.

Also, along with the notification letter which was sent to SRT's existing DSL Customers informing them of the change, a notification letter was also sent to the Governor of North Dakota, John Hoeven; the North Dakota Public Service Commission, and the Special Assistant for Telecommunications at the Department of Defense.

The notification letters indicate that a copy of the DSL Access Services Wholesale Rate Plan can be picked up at SRT Headquarters, and also may be viewed on SRT's website at www.srt.com.
